

2012: Resetting the Count Maya Opinions on 2012

Sergio Dolores:

Well, the knowledge I have about 2012 is that on December 21, 2012 the world as we know it, ends. But in reality, the Maya did not believe in the end of the world nor of humanity. They believed in the beginning of a new era. I think that there is no such thing as the end of the world, but rather the beginning of a new era.
